

# QuickMail

SEND SSRS REPORTS AS PDF ATTACHMENTS  
RIGHT FROM KEY2ACT SIGNATURE

*In a single step, email attachments of Invoices, Call Summary Reports, Job Status Reports and more without leaving the Signature window*

*Sent copies can be automatically saved as a note attachment in GP*

*Removes the hassle of saving as a PDF first, then needing to attach it to an email*

*Predefine a subject line and message body to accelerate the process*
